

## Resident Personal Supplies Registry

Many of the women who come to Mary Ryder Home have little or no income and no insurance. We accept residents regardless of their ability to pay and we provide these women with a safe, caring environment where they live and interact with other women in a supportive environment. Your gift of any of the items on this list will keep our ladies comfortable and will let them know they are cared for. Contact [dev@providentstl.org](mailto:dev@providentstl.org) to make donations or to inquire of the need for specific items.

Thank you for your compassionate care for the ladies of Mary Ryder Home.
